Revamp your wardrobe

(Fix & Renew your old clothes)

Course Description

This course will teach you how to renew and fix your old clothes and make them look fashionable. Think about how much you spend on clothes then they go out of fashion and you have to give them away. Think about this old skirt that you look at everyday thinking if its only shorter or this shirt that would look great if only you were to change the buttons with more fashionable ones.

In this course you will work on .

- on all kind of clothes(skirts - blouses - pants .. etc)
- learn how to put zippers - buttons professionally.
- tighten or widen clothes to fit the require size.
- shorten or make clothes longer using creative methods.
- learn some stitches and ways to add different fabrics to renew or fix.
